

Kitelocals Kitesafari

Programm

Saturday March 2nd, 2024:

We will pick you up at the airport in Hurghada. After you have purchased your visa at the official visa counter in the arrival hall on the right (small visa booth), you go through passport control. After passport control, you collect your luggage and leave the airport building. One of our boys will be waiting for you outside with a sign with your name on it. We will take you directly to the safari boat where you can move into your bunk. As soon as all guests have arrived, there is a small welcome and introduction session.

We have dinner together on the boat, after which we have the opportunity to stroll around the marina and enjoy a drink or two.

Sunday March 3rd, 2024 - Thursday March 7th, 2024:

Early on Sunday morning we set off for our first kite location, an uninhabited group of islands about 2 hours from Hurghada.

In the next few days, depending on the wind conditions, we will visit various spots in the Red Sea. All spots have shallow areas in crystal clear water.

Friday March 8th, 2024:

After lunch, we start our journey back to Hurghada, which will take about 3 hours. We spend the last night in the marina on board our safari yacht.

Saturday March 9th, 2024:

On the day of departure, our driver will take you to the airport on time. If your flight leaves late in the evening, the day can still be spent shopping or side-seeing in Hurghada.
